

Mt. Shuksan Family Medicine

March 31, 2026

Dear Patient,

It is with a full heart that I write to share with you that I will be stepping away from my role at Mt Shuksan Family Medicine, effective at the end of June. I plan to take a break from practicing comprehensive family medicine at this time, and I will be spending more time at home with my family and working to complete my Psychiatric NP training.

This was not an easy decision to make, and one that was made with care and deliberation. Caring for you has been one of the greatest honors of my professional life. Thank you for allowing me to be a part of your health journey and sharing your symptoms, pains, joys, and fears with me. I deeply value the trust you placed in me, and I carry our experiences forward with great appreciation into the future.

While this transition is bittersweet, I am confident that you will continue to receive excellent care from the dedicated team here with Emma, Danae, and Kirsten. Your health and well-being remain in capable hands.

Thank you again for your kindness, your trust, and the privilege of being a part of your story. I will truly miss you.

Wishing you continued health and all the very best,

Blessings,

,

Monika E Reynolds, ARNP, MSN, FNP-C
